

**USGA Rules & Decisions Govern All Play,
Except Where Modified by the Following Local Rules**

- The embedded ball rule is in effect through the green.
- Bunkers are defined as groomed sand areas with at least one rake.
- Unpaved cart paths are played as through the green (no relief).
- The waterside edge of bulkheads define the hazard line.
- If a sprinkler head is within two club lengths of the green and the ball is within two club lengths of the sprinkler head, a player may take relief as follows: drop at the nearest point that is not nearer the hole, avoids interference, and is not in a hazard or on the putting green.
